INDEPENDENT AUDITOR'S REPORT

Mayor and City Commissioners  
City of Independence, Kansas

**Adverse and Unmodified Opinions**

We have audited the accompanying fund summary statement of regulatory basis receipts, expenditures, and unencumbered cash balances of the City of Independence, Kansas and its related municipal entity, the Housing Authority of The City of Independence, Kansas (collectively, the City), as of and for the year ended December 31, 2021 and the related notes to the financial statement.

*Adverse Opinion on U.S. Generally Accepted Accounting Principles*

In our opinion, because of the significance of the matter discussed in the Basis for Adverse and Unmodified Opinions section of our report, the accompanying financial statement referred to above does not present fairly, in conformity with accounting principles generally accepted in the United States of America, the financial position of the City as of December 31, 2021, or changes in financial position and cash flows thereof for the year then ended.

*Unmodified Opinion on Regulatory Basis of Accounting*

In our opinion, the accompanying financial statement referred to above presents fairly, in all material respects, the aggregate cash and unencumbered cash balance of the City as of December 31, 2021, and the aggregate receipts and expenditures for the year then ended in accordance with the financial reporting provisions of the *Kansas Municipal Audit and Accounting Guide* described in Note 1.

**Basis for Adverse and Unmodified Opinions**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS) and the *Kansas Municipal Audit and Accounting Guide*. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statement section of our report. We are required to be independent of the City, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our adverse and unmodified audit opinions.

*Matter Giving Rise to Adverse Opinion on U.S. Generally Accepted Accounting Principles*

As discussed in Note 1 of the financial statement, the financial statement is prepared by the City on the basis of the financial reporting provisions of the *Kansas Municipal Audit and Accounting Guide*, which is a basis of accounting other than accounting principles generally accepted in the United States of America. The effects on the financial statement of the variances between the regulatory basis of accounting described in Note 1 and accounting principles generally accepted in the United States of America, although not reasonably determinable, are presumed to be material.

## **Responsibilities of Management for the Financial Statement**

Management is responsible for the preparation and fair presentation of this financial statement in accordance with the *Kansas Municipal Audit and Accounting Guide* as described in Note 1; this includes determining that the regulatory basis of accounting is an acceptable basis for the preparation of the financial statement in the circumstances. Management is also responsible for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of the financial statement that is free from material misstatement, whether due to fraud or error.

In preparing the financial statement, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the City's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

## **Auditor's Responsibilities for the Audit of the Financial Statement**

Our objectives are to obtain reasonable assurance about whether the financial statement as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statement.

In performing an audit in accordance with GAAS, we:

- exercise professional judgment and maintain professional skepticism throughout the audit.
- identify and assess the risks of material misstatement of the financial statement, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statement.
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the City's internal control. Accordingly, no such opinion is expressed.
- evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statement.
- conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the City's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

## **Supplementary Information**

Our audit was conducted for the purpose of forming an opinion on the fund summary statement of regulatory basis receipts, expenditures, and unencumbered cash balances (basic financial statement) as a whole. The summary of regulatory basis expenditures-actual and budget, individual fund schedules of regulatory basis receipts and expenditures-actual and budget, summary of receipts and disbursements-agency funds and the schedule of regulatory basis receipts and expenditures-related municipal entity (Schedules 1, 2, 3 and 4) as listed in the table of contents) are presented for analysis and are not a required part of the basic financial statement, however, are required to be presented under the provisions of the *Kansas Municipal Audit and Accounting Guide*. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statement. The information has been subjected to the auditing procedures applied in the audit of the basic financial statement and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statement or to the basic financial statement itself, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the basic financial statement as a whole, on the basis of accounting described in Note 1.

## **Other Matters**

### *Prior Period Adjustment*

As discussed in Note 12 to the financial statement, the financial statement for the year ended December 31, 2020, has been restated to correct a misstatement in fund balances. Our opinion is not modified with respect to this matter.

### *Other Matter*

The 2020 actual column presented in the individual fund schedules of regulatory basis receipts and expenditures—actual and budget for the year ended December 31, 2020 (Schedule 2 as listed in the table of contents) is presented for purposes of additional analysis and is not a required part of the basic financial statement.

The City's basic financial statement for the year ended December 31, 2020 (not presented herein), was audited by other auditors whose report dated August 4, 2021, expressed an unmodified opinion on the basic financial statement. The 2020 basic financial statement and the other auditor's report are available in electronic form from the web site of the Kansas Department of Administration at the following link <https://admin.ks.gov/offices/oar/municipal-services>. The report of the other auditors dated August 4, 2021 stated that the individual fund schedules of regulatory basis receipts and expenditures—actual and budget for the year ended December 31, 2020 was subjected to the auditing procedures applied in the audit of the 2020 basic financial statement and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2020 basic financial statement or to the 2020 basic financial statement itself, and other additional procedures in accordance with auditing standards generally accepted in the United States of America, and in their opinion, was fairly stated in all material respects in relation to the basic financial statement as a whole for the year ended December 31, 2020, on the basis of accounting described in Note 1.

**CITY OF INDEPENDENCE, KANSAS**  
Notes to the Financial Statements  
For the Year Ended December 31, 2021

**NOTE 1 - Summary of Significant Accounting Policies**

The City of Independence, Kansas (the City) is incorporated as a city of the second class under the provisions of the Kansas Constitution, Article 12, Section 5 and K.S.A. 14-101 et seq. The City operates under a Commission City Manager form of government and provides the following services as authorized by its charter: public safety (police and fire), highways and streets, water, sewer and trash, health and social services, culture-recreation, education, public improvements, planning and zoning, and general administrative services.

The financial statement and schedules of the City of Independence, Kansas have been prepared in order to show compliance with the cash basis and budget laws of the State of Kansas. The Governmental Accounting Standards Board is the principal standard-setting body for establishing governmental accounting and financial reporting principles. The more significant of the City's accounting policies follow below. Note 1 describes how the City's accounting policies differ from accounting principles generally accepted in the United States of America.

**Financial Reporting Entity**

The City is a municipal corporation governed by an elected three-member commission. This financial statement presents the City (the municipality) and its related municipal entity, The Housing Authority of The City of Independence, Kansas, (collectively, the City). This related municipal entity is included in the City's reporting entity because it was established to benefit the City and/or its constituents. This financial statement does not include the related municipal entity, the Independence Public Library.

*Related Municipal Entities:* A related municipal entity is determined by the following criteria. Whether the City exercises oversight responsibility on financial interdependency, selection of governing authority, designation of management, ability to significantly influence operations and accountability for fiscal matters, scope of the public service, and significant operational or financial relationships with the City. Related municipal entities are not required to be included in the City's audit by the *Kansas Municipal Audit and Accounting Guide* (KMAAG). Based upon the application of this criterion, the following is a brief review of potential related municipal entities:

**Housing Authority** - The Housing Authority of the City of Independence, Kansas is a municipal corporation responsible for operating the City's housing projects. The Housing Authority is governed by a City appointed five-member board. The Housing Authority can sue and be sued. Bond ordinances and the purchase of real property must be approved by the City. All Housing Authority funds are held by the City of Independence and all financial transactions are processed through the City's administrative offices. The Housing Authority's 2021 financial statements have been included as Schedule 4 of the City's financial statements. Complete audited financial statements are prepared and are available at the Housing Authority's administrative office.

**Independence Public Library** - The City of Independence Library Board operates the City's public library. Acquisition or disposition of real property or bond issuances must be approved by the City. Separate audited financial statements are prepared and are available at the Independence Public Library.

**Basis of Accounting**

*Regulatory Basis of Accounting and Departure from Accounting Principles Generally Accepted in the United States of America.* The *Kansas Municipal Audit and Accounting Guide* (KMAAG) regulatory basis of accounting involves the recognition of cash, cash equivalents, marketable investments, and certain accounts payable and encumbrance obligations to arrive at a net unencumbered cash and investments balance on a regulatory basis for each fund, and the reporting of changes in unencumbered cash and investments of a fund resulting from the difference in regulatory basis receipts and regulatory basis expenditures for the fiscal year. All recognized assets and liabilities are measured and reported at cost, unless they have been permanently impaired and have no future cash value or represent no future obligation against cash. The KMAAG regulatory basis does not recognize capital assets, long-term debt, accrued receivables and payables, or any other assets, liabilities or deferred inflows or outflows, other than those mentioned above.

The City has approved a resolution that is in compliance with K.S.A. 75-1120a(c), waiving the requirement for application of generally accepted accounting principles and allowing the City to use the regulatory basis of accounting.

CITY OF INDEPENDENCE, KANSAS  
Notes to the Financial Statements  
For the Year Ended December 31, 2021

NOTE 1 - Summary of Significant Accounting Policies (Continued)

Regulatory Basis Fund Types

The following types of funds comprise the financial activities of the City for the year ended December 31, 2021:

General Fund - the chief operating fund. Used to account for all resources except those required to be accounted for in another fund.

Special Purpose Fund - used to account for the proceeds of specific tax levies and other specific regulatory basis receipt sources (other than Capital Project and tax levies for long-term debt) that are intended for specified purposes.

Bond and Interest Fund - used to account for the accumulation of resources, including tax levies, transfers from other funds and payment of general long-term debt.

Capital Projects Fund - used to account for the debt proceeds and other financial resources to be used for acquisition or construction of major capital facilities or equipment.

Business Fund - funds financed in whole or in part by fees charged to users of the goods or services (i.e. enterprise and internal service fund, etc.).

Agency Funds - to account for assets held by the City in a purely custodial capacity (payroll clearing fund, county treasurer tax collection accounts, etc.).

Budgetary Information

Kansas statutes require that an annual operating budget be legally adopted for the general fund, special purpose funds (unless specifically exempted by statute), bond and interest funds, and business funds. Although directory rather than mandatory, the statutes provide for the following sequence and timetable in the adoption of the legal annual operating budget:

1. Preparation of the budget for the succeeding calendar year on or before August 1st.
2. Publication in local newspaper of the proposed budget and notice of public hearing on the budget on or before August 5th.
3. Public hearing on or before August 15th, but at least ten days after publication of notice of hearing.
4. Adoption of the final budget on or before August 25th.

If the City is holding a revenue neutral rate hearing, the budget timeline for adoption of the final budget has been adjusted to on or before September 20<sup>th</sup>. The City was not required to hold a revenue neutral rate hearing for this year.

The statutes allow for the governing body to increase the originally adopted budget for previously unbudgeted increases in regulatory receipts other than ad valorem property taxes. To do this, a notice of public hearing to amend the budget must be published in the local newspaper. At least ten days after publication, the hearing may be held and the governing body may amend the budget at that time. The original budget was amended for the Educational Sales Tax Fund, Special Use Sales Tax Fund, and Sanitation Utility Fund during the year ended December 31, 2021.

The statutes permit transferring budgeted amounts between line items within an individual fund. However, such statutes prohibit expenditures in excess of the total amount of the adopted budget of expenditures of individual funds. Budget comparison schedules are presented for each fund showing actual receipts and expenditures compared to legally budgeted receipts and expenditures.

All legal annual operating budgets are prepared using the regulatory basis of accounting, in which regulatory receipts are recognized when cash is received and expenditures include disbursements, accounts payable, and encumbrances, with disbursements being adjusted for the prior year's accounts payable and encumbrances. Encumbrances are commitments by the City for future payments and are supported by a document evidencing the commitment, such as a purchase order or contract. Any unused budgeted expenditure authority lapses at year end.

**CITY OF INDEPENDENCE, KANSAS**  
Notes to the Financial Statements  
For the Year Ended December 31, 2021

**NOTE 1 - Summary of Significant Accounting Policies (Continued)**

**Budgetary Information (Continued)**

A legal operating budget is not required for the following special purpose and business funds:

- Special Park Fund
- Crime Prevention Fund
- Law Enforcement Trust Fund
- Downtown Tree Replacement Fund
- Demolition Fund
- Memorial Hall Fund
- E-911 (Old) Fund
- E-911 (New) Fund
- K9 Fund
- Incubator Building Fund
- Logan Foundation Fund
- City Grants Fund
- Land Bank Fund
- Fire/EMS Grant Fund
- Walmart Grant Fund
- Federal Grants Fund

Spending in funds which are not subject to the legal annual operating budget requirement is controlled by federal regulations, other statutes, or by the use of internal spending limits established by the city commission.

**NOTE 2 - Deposits and Investments**

*Deposits.* K.S.A. 9-1401 establishes the depositories which may be used by the City. The statute requires banks eligible to hold the City's funds have a main or branch bank in the county in which the City is located, or in an adjoining county if such institution has been designated as an official depository, and the banks provide an acceptable rate of return on funds. In addition, K.S.A. 9-1402 requires the banks to pledge securities for deposits in excess of FDIC coverage. The City has no other policies that would further limit interest rate risk.

*Investments.* K.S.A. 12-1675 limits the City's investment of idle funds to time deposits, open accounts, and certificates of deposit with allowable financial institutions; U.S. government securities; temporary notes; no-fund warrants; repurchase agreements; and the Kansas Municipal Investment Pool. The City has no investment policy that would further limit its investment choices. As of December 31, 2021, the City held no such investments.

*Concentration of credit risk.* State statutes place no limit on the amount the City may invest in any one issuer as long as the investments are adequately secured under K.S.A. 9-1402 and 9-1405.

*Custodial credit risk - deposits.* Custodial credit risk is the risk that in the event of a bank failure, the City's deposits may not be returned to it. State statutes require the City's deposits in financial institutions to be entirely covered by federal depository insurance or by collateral held under a joint custody receipt issued by a bank within the State of Kansas, the Federal Reserve Bank of Kansas City, or the Federal Home Loan Bank of Topeka, except during designated "peak periods" when required coverage is 50%. The City has no designated "peak periods." The City's deposits were fully secured as of December 31, 2021.

As of December 31, 2021, the City's carrying amount of deposits was \$ 20,726,600 and the bank balance was \$20,835,810. The bank balance was held by two banks resulting in a concentration of credit risk. Of the bank balance, \$3,750,013 was covered by federal depository insurance and \$17,085,797 was collateralized with securities held by the pledging financial institutions' agents in the City's name.

*Custodial credit risk - investments.* For an investment, this is the risk that, in the event of the failure of the issuer or counterparty, the City will not be able to recover the value of its investments or collateral securities that are in the possession of an outside party. State statutes require investments to be adequately secured.

Notes to the Financial Statements  
For the Year Ended December 31, 2021

**NOTE 3 - Compensated Absences**

All regular full-time and regular part-time employees of the City shall earn vacation leave. Vacation leave shall be earned beginning with the date of employment. Vacation may not be used during the first twelve month of employment. Vacation is earned at varying rates based on years of service and may be accumulated up to 160 hours for fulltime employees and 10 shifts for full-time Fire and EMS. In the event of termination, unused accrued vacation time is paid. Employees terminated prior to completing one full year of employment shall not be paid for accrued vacation leave.

Sick leave accrues to all full-time employees at the rate of eight hours per month and is limited to 1,440 hours. Sick leave may be accumulated and carried over to the next year, but is lost if employment is terminated.

The City has not estimated a liability for compensated absences which has been earned, but not taken by City employees, as the amount cannot be reasonably estimated.

**NOTE 4 - Defined Benefit Pension Plan**

*Plan Description.* The City participates in the Kansas Public Employees Retirement System (KPERS), a cost-sharing, multiple-employer defined benefit pension plan as provided by K.S.A. 74-4901, et. seq. Kansas law establishes and amends benefit provisions. KPERS issues a publicly available financial report that includes financial statements and required supplementary information. KPERS' financial statements are included in its Comprehensive Annual Financial Report which can be found on the KPERS website at [www.kpers.org](http://www.kpers.org) by writing to KPERS (611 South Kansas, Suite 100, Topeka, KS 66603) or by calling 1-888-275-5737.

*Contributions.* K.S.A. 74-4919 and K.S.A. 74-49,210 establish the KPERS member-employee contribution rates. KPERS has multiple benefit structures and contribution rates depending on whether the employee is a KPERS 1, KPERS 2 or KPERS 3 member. KPERS 1 members are active and contributing members hired before July 1, 2009. KPERS 2 members were first employed in a covered position on or after July 1, 2009, and KPERS 3 members were first employed in a covered position on or after January 1, 2015. Effective January 1, 2015, Kansas law established the KPERS member-employee contribution rate at 6% of covered salary for KPERS 1, KPERS 2 and KPERS 3 members. Member contributions are withheld by their employer and paid to KPERS according to the provisions of Section 414(h) of the Internal Revenue Code.

State law provides that the employer contribution rates for KPERS 1, KPERS 2 and KPERS 3 be determined based on the results of each annual actuarial valuation. Kansas law sets a limitation on annual increases in the employer contribution rates. The actuarially determined employer contribution rate (not including the 1% contribution rate for the Death and Disability Program) and the statutory contribution rate was 8.87% for the fiscal year ended December 31, 2021. Contributions to the pension plan from the City were \$469,101 for the year ended December 31, 2021.

*Net Pension Liability.* As of December 31, 2021, the City's proportionate share of the collective net pension liability reported by KPERS was \$3,275,712. The net pension liability was measured as of June 30, 2021, and the total pension liability used to calculate the net pension liability was determined by an actuarial valuation as of December 31, 2020, which was rolled forward to June 30, 2021. The City's proportion of the net pension liability was based on the ratio of the City's contributions to KPERS, relative to the total employer and non-employer contributions of the Local subgroup of KPERS. Since the KMAAG regulatory basis of accounting does not recognize long-term debt, this liability is not reported in these financial statements.

The complete actuarial valuation report, including all actuarial assumptions and methods, and the report on the allocation of the KPERS collective net pension liability to all participating employers are publicly available on the KPERS website at [www.kpers.org](http://www.kpers.org) or can be obtained as described above.

 For the Year Ended December 31, 2021

**NOTE 5 - Other Long-Term Obligations from Operations**

**Other Post-Employment Benefits.** As provided by K.S.A. 12-5040, the City allows retirees to participate in the group health insurance plan. While each retiree pays the full amount of the applicable premium, conceptually, the City is subsidizing the retirees because each participant is charged a level of premium regardless of age. However, the cost of this subsidy has not been quantified in this financial statement.

Under the Consolidated Omnibus Budget Reconciliation Act (COBRA), the City makes health care benefits available to eligible former employees and eligible dependents. Certain requirements are outlined by the federal government for this coverage. The premium is paid in full by the insured. There is no cost to the City under this program.

**Death and Disability Other Post-Employment Benefits.** As provided by K.S.A. 74-4927, disabled members in the Kansas Public Employees Retirement System (KPERS) receive long-term disability benefits and life insurance benefits. The plan is administered through a trust held by KPERS that is funded to pay annual benefit payments. The employer contribution rate is set at 1% for the year ended December 31, 2021.

The agreement carries an interest rate of 1.78%, requires annual payments of \$21,927, and is scheduled for final maturity on March 1, 2025.

*Legal Debt Margin.* The City is subject to the municipal finance law of the State of Kansas which limits the net bonded debt the City may have outstanding up to 30 percent of the assessed value of all tangible personal property within the City, as certified to the County Clerk on the proceeding August 25. As of December 31, 2021, the statutory limit for the City was \$14,121,120, providing a debt margin of \$9,721,120.

**NOTE 8 - Contingencies**

The City receives significant financial assistance from numerous federal and state governmental agencies in the form of grants and state pass-through aid. The disbursement of funds received under these programs generally requires compliance with the terms and conditions specified in the grant agreements and is subject to audit. Any disallowed claims resulting from such audits could become a liability of the General Fund or other applicable funds. However, in the opinion of management, any such disallowed claims would not have a material effect on any of the financial statements of the City as of December 31, 2021.

The City is a party to various claims, none of which is expected to have material financial impact on the City.

**NOTE 9 - Risk Management**

The City is exposed to various risks of loss related to torts; theft of, damage to, or destruction of assets; errors and omissions; injuries to employees; employees health and life; and natural disasters. The City manages these risks of loss through the purchase of various insurance policies.

**CITY OF INDEPENDENCE, KANSAS**  
 Notes to the Financial Statements  
 For the Year Ended December 31, 2021

**NOTE 9 - Risk Management (Continued)**

The City has been unable to obtain workers' compensation insurance at a cost it considers to be economically justifiable. For this reason, the City has joined together with other cities in the State to participate in Kansas Municipal Insurance Trust (KMIT), a public entity risk pool currently operating as a common risk management and insurance program for participating members. The City pays annual premium to KMIT for its workers' compensation insurance coverage. The agreement to participate provides that KMIT will be self-sustaining through member premiums and will reinsure through commercial companies for claims in excess of a stated dollar amount for each insurance event. Additional premiums may be due if total claims for the pool are different than what has been anticipated by KMIT management.

**NOTE 10 - Incentive Grant Agreement**

During the year ended December 31, 2021, the City entered into an incentive grant agreement with Labette County Medical Center. This agreement calls for the City to pay Labette County Medical Center \$1,000,000 payable in ten equal annual payments of \$100,000 beginning March 1, 2023. The incentive grant agreement calls for Labette County Medical Center to hire and maintain an increasing number of full-time employees and physicians who live in the City and serve its residents. The City intends to pay the grant from the Economic Development and Transportation Fund.

**NOTE 11 - Compliance with Kansas Statutes**

Statement 1 has been prepared in order to show compliance with the cash basis laws of Kansas. As shown in Statement 1, the City was in apparent violation of K.S.A. 10-1113, as the Airport Capital Reserve Fund, Water Treatment Facility Upgrade Fund, and WPC Loan C20 2043 Project Fund reported a negative ending unencumbered cash balance. K.S.A 10-1,116 provides that under certain situations, a fund can end the year with a negative unencumbered cash balance. The Airport Capital Reserve Fund, Water Treatment Facility Upgrade Fund, and WPC Loan C20 2043 Project Fund meet the criteria of K.S.A 10-1,116 and therefore, are deemed to not be in violation of the Kansas cash basis laws.

Schedule 1 has been prepared in order to show compliance with the budget laws of Kansas. As shown in Schedule 1, the City was in apparent violation of K.S.A. 79-2935 as expenditures chargeable to the current year exceeded the certified budget in the Educational Sales Tax Fund, Bond and Interest Fund, and Airport Fund.

**NOTE 12 - Prior Period Adjustments**

During the year ended December 31, 2021, management discovered certain errors recorded in the prior year financial statements. The effects of these items caused a restatement to beginning unencumbered cash in the General Fund Employee Benefits Fund, Educational Sales Tax Fund, Airport Fund, Water/Sewer Utility Fund, Sanitation Utility Fund, and the Housing Authority of The City of Independence, Kansas as follows:
